Application no. 33509/04

Burdov v. Russia (no. 2) – Judgment of 15 January 2009

Dear Madam,

Referring to the Court's pilot judgment in the case of *Burdov (no. 2)*, I enclose for you information a letter of 4 May 2010 by the Russian Representative at the Court, taking stock of the remedial measures adopted by the Russian Federation in response to the pilot judgment. He also requested that the Court proceedings in certain cases remain adjourned until 15 September 2010 with a view to completing their settlement at the domestic level.

The Court's Chamber considered the request on 11 May 2010 and decided that the cases concerned will remain adjourned until 15 September 2010. The applicants in those cases will be informed accordingly. The Government were requested to inform the Court by that date of the remedial measures taken in all those cases.

I also enclose for your information my reply to the Russian authorities explaining the procedure to be followed by the Court as a result of the adoption by the Russian Federation of the legal reform introducing new domestic remedies in respect of excessive length of judicial proceedings and delays in enforcement of judgments.

Yours faithfully,

Søren Nielsen
Section Registrar
